

## MARVELS LANE PRIMARY SCHOOL

30 April 2015

Dear

You may remember indicating that you might be able to join us as a volunteer reader.

If this is still the case, giving your time can help give our children many different reading opportunities such as;

- sharing and enjoying books together
- developing early independent reading skills
- talking about books they like and so developing comprehension skills
- practising using their phonics knowledge in different types of books
- building confidence, speed and fluency
- developing higher level comprehension skills and strategies

We will be holding a 'Find out more' meeting where we can give you lots more information, answer questions and get started. Please invite along any other parent/carers who you think may be interested.

**Wednesday 20<sup>th</sup> May 2:30-3:15 Lower hall**

Thank-you

Mrs J Macnamara (Inclusion Manager)

Mrs Chung (English Co-ordinator)
