

E-SAFETY POLICY

This policy is part of the School's Statutory Safeguarding Policy. Any issues and concerns with online safety must follow the school's safeguarding and child protection processes.

Marvels Lane e-safety policy is based on advice from the LGfL (London Grid for Learning www.lgfl.net)

CONTENTS

1. Introduction and Overview

- Rationale and Scope
- Roles and Responsibilities

1. INTRODUCTION AND OVERVIEW

RATIONALE

The purpose of this policy is to:

- Set out the key principles expected of all members of the school community at Marvels Lane Primary School with respect to the use of IT-based technologies.
- Safeguard and protect the children and staff.
- Assist school staff working with children to work safely and responsibly with the Internet and other IT and communication technologies and to monitor their own standards and practice.
- Set clear expectations of behaviour and/or codes of practice relevant to responsible use of the Internet for educational, personal or recreational use for the whole school community.
- Have clear structures to deal with online abuse such as online bullying [noting that these need to be cross referenced with other school policies].
- Ensure that all members of the school community are aware that unlawful or unsafe behaviour is unacceptable and that, where appropriate, disciplinary or legal action will be taken.
- Minimise the risk of misplaced or malicious allegations made against adults who work with students.

The main areas of risk for our school community can be summarised as follows:

Content

- Exposure to inappropriate content
- Lifestyle websites promoting harmful behaviours
- Hate content
- Content validation: how to check authenticity and accuracy of online content

Contact

- Grooming (sexual exploitation, radicalisation etc.)
- Online bullying in all forms
- Social or commercial identity theft, including passwords

Conduct

- Aggressive behaviours (bullying)
- Privacy issues, including disclosure of personal information
- Digital footprint and online reputation
- Health and well-being (amount of time spent online, gambling, body image)
- Sexting
- Copyright (little care or consideration for intellectual property and ownership)

SCOPE

This policy applies to all members of Marvels Lane Primary School community (including staff, students/pupils, volunteers, parents/carers, visitors, community users) who have access to and are users of school IT systems, both in and out of Marvels Lane Primary School.

ROLES AND RESPONSIBILITIES

Role	Key Responsibilities
Headteacher Edward Dove	<ul style="list-style-type: none"> • Must be adequately trained in off-line and online safeguarding, in-line with statutory guidance and relevant Local Safeguarding Children Board (LSCB) guidance. • To lead a 'safeguarding' culture, ensuring that online safety is fully integrated with whole school safeguarding. • To take overall responsibility for online safety provision. • To take overall responsibility for data management and information security (SIRO) ensuring school's provision follows best practice in information handling. • To ensure the school uses appropriate IT systems and services including, filtered Internet Service, e.g. LGfL services. • To be responsible for ensuring that all staff receive suitable training to carry out their safeguarding and online safety roles. • To be aware of procedures to be followed in the event of a serious online safety incident. • Ensure suitable 'risk assessments' undertaken so the curriculum meets needs of pupils, including risk of children being radicalised. • To receive regular monitoring reports from the Online Safety Co-ordinator. • To ensure that there is a system in place to monitor and support staff who carry out internal online safety procedures, e.g. network manager. • To ensure Governors are regularly updated on the nature and effectiveness of the school's arrangements for online safety.
Online Safety Leader Isabel Hedderman	<ul style="list-style-type: none"> • Take day to day responsibility for online safety issues and a leading role in establishing and reviewing the school's online safety policy/documents. • Promote an awareness and commitment to online safety throughout the school community. • Ensure that online safety education is embedded within the curriculum. • Liaise with school technical staff where appropriate. • To communicate regularly with SLT and the designated online safety Governor to discuss current issues, review incident logs and filtering/change control logs. • To ensure that all staff are aware of the procedures that need to be followed in the event of an online safety incident. • To ensure that online safety incidents are logged as a safeguarding incident where appropriate. • Facilitate training and advice for all staff. • Oversee any pupil surveys / pupil feedback on online safety issues. • Liaise with the Local Authority and relevant agencies. • Is regularly updated in online safety issues and legislation, and be aware of the potential for serious child protection concerns. • To ensure school website includes relevant information. • To have a copy of all school usernames and passwords.

Role	Key Responsibilities
	<ul style="list-style-type: none"> To ensure all staff adhere to the Exit Strategy.
Safeguarding Governor (including online safety) Christine Turner	<ul style="list-style-type: none"> To ensure that the school has in place policies and practices to keep the children and staff safe online. To approve the Online Safety Policy and review the effectiveness of the policy. To support the school in encouraging parents and the wider community to become engaged in online safety activities. The role of the online safety Governor will include: regular review with the online safety Co-ordinator.
Computing Curriculum Leader Aynur Ibrahim	<ul style="list-style-type: none"> To oversee the delivery of the online safety element of the Computing curriculum.
Network Manager / Technician Adam Doel	<ul style="list-style-type: none"> To report online safety related issues that come to their attention, to the Online Safety Coordinator. To manage the school's computer systems, ensuring: school password policy is strictly adhered to; systems are in place for misuse detection and malicious attack (e.g. keeping virus protection up to date); access controls/encryption exist to protect personal and sensitive information held on school-owned devices; the school's policy on web filtering is applied and updated on a regular basis. That they keep up to date with the school's online safety policy and technical information in order to effectively carry out their online safety role and to inform and update others as relevant. That the use of school technology and online platforms are regularly monitored and that any misuse/attempted misuse is reported to the online safety co-ordinator/Headteacher. To ensure appropriate backup procedures and disaster recovery plans are in place. To keep up-to-date documentation of the school's online security and technical procedures.
Data and Information (Asset Owners) Managers (IAOs) Wauton Samuels	<ul style="list-style-type: none"> To ensure that the data they manage is accurate and up-to-date. Ensure best practice in information management. i.e. have appropriate access controls in place, that data is used, transferred and deleted in-line with data protection requirements. The school must be registered with Information Commissioner.
LGfL Nominated Contact(s) Isabel Hedderman Adam Doel	<ul style="list-style-type: none"> To ensure all LGfL services are managed on behalf of the school following data handling procedures as relevant.
Teachers	<ul style="list-style-type: none"> To embed online safety in the curriculum. To supervise and guide pupils carefully when engaged in learning activities involving online technology (including, extra-curricular and extended school activities if relevant). To ensure that pupils are fully aware of research skills and are fully aware of legal issues relating to electronic content such as copyright laws.

Role	Key Responsibilities
All Staff, Volunteers and Contractors.	<ul style="list-style-type: none"> • To read, understand and adhere to the school staff Acceptable Use Agreement/Policy, and understand any updates annually. The AUP is given to new staff on induction. • To report any suspected misuse or problem to the online safety coordinator. • To maintain an awareness of current online safety issues and guidance e.g. through CPD. • To model safe, responsible and professional behaviours in their own use of technology. <p>Exit strategy</p> <ul style="list-style-type: none"> • At the end of the period of employment/volunteering to return any equipment or devices loaned by the school. This will include leaving PIN numbers, IDs and passwords to allow devices to be reset, or meeting with line manager and technician on the last day to log in and allow a factory reset.
Pupils	<ul style="list-style-type: none"> • Read, understand and adhere to the Student/Pupil Acceptable Use Policy annually. • To understand the importance of reporting abuse, misuse or access to inappropriate materials. • To know what action to take if they or someone they know feels worried or vulnerable when using online technology. • To understand the importance of adopting safe behaviours and good online safety practice when using digital technologies out of school and realise that the school's online safety policy covers their actions out of school. • To contribute to any 'pupil voice' / surveys that gathers information of their online experiences.
Parents / Carers	<ul style="list-style-type: none"> • To read, understand and promote the school's Pupil Acceptable Use Agreement with their child/ren. • to consult with the school if they have any concerns about their children's use of technology. • to support the school in promoting online safety and endorse the Parents' Acceptable Use Agreement which includes the pupils' use of the Internet and the school's use of photographic and video images.
External Groups including Parent Groups	<ul style="list-style-type: none"> • Any external individual/organisation will sign an Acceptable Use agreement prior to using technology or the Internet within school. • to support the school in promoting online safety. • To model safe, responsible and positive behaviours in their own use of technology.

COMMUNICATION:

The policy will be communicated to staff/pupils/community in the following ways:

- Policy to be posted on the school website and held in Staff Shared policy folder.
- Policy to be part of school induction pack for new staff.
- Regular updates and training on online safety for all staff.
- Acceptable use agreements discussed with staff and pupils at the start of each year. Acceptable use agreements to be issued to whole school community, on entry to the school.

HANDLING INCIDENTS:

- The school will take all reasonable precautions to ensure online safety.
- Staff and pupils are given information about infringements in use and possible sanctions.
- The E-Safety Leader acts as first point of contact for any incident.
- Any suspected online risk or infringement is reported to Online Safety Coordinator that day.
- Any concern about staff misuse is always referred directly to the Headteacher, unless the concern is about the Headteacher in which case the complaint is referred to the Chair of Governors and the LADO (Local Authority's Designated Officer).

REVIEW AND MONITORING

The e-safety policy is referenced within other school policies (e.g. Safeguarding and Child Protection policy, Anti-Bullying policy, PSHE, Computing policy).

- The e-safety policy will be reviewed regularly or when any significant changes occur with regard to the technologies in use within the school.
- There is widespread ownership of the policy and it has been agreed by the SLT and approved by Governors. All amendments to the school online safety policy will be disseminated to all members of staff and pupils.

2. EDUCATION AND CURRICULUM

PUPIL ONLINE SAFETY CURRICULUM

This school:

- has a clear, progressive online safety education programme as part of the computing curriculum, PSHE and other curriculum areas as relevant. This covers a range of skills and behaviours appropriate to their age and experience (see Curriculum Policy);
- plans online use carefully to ensure that it is age-appropriate and supports the learning objectives for specific curriculum areas;
- will remind students about their responsibilities through the pupil Acceptable Use Agreement(s);
- ensures staff are aware of their responsibility to model safe and responsible behaviour in their own use of technology, e.g. use of passwords, logging-off, use of content, research skills, copyright;
- ensures that staff and pupils understand issues around plagiarism; how to check copyright and also know that they must respect and acknowledge copyright/intellectual property rights;
- ensures pupils only use school-approved systems and publish within appropriately secure / age-appropriate environments.

STAFF AND GOVERNOR TRAINING

This school:

- makes regular training available to staff on online safety issues and the school's online safety education program;
- provides, as part of the induction process, all new staff [including those on university/college placement and work experience] with information and guidance on the Online Safety Policy and the school's Acceptable Use Agreements.

PARENT AWARENESS AND TRAINING

This school:

- provides induction for parents (of children new to Reception) which includes online safety;
- runs a rolling programme of online safety advice, guidance and training for parents.

3. EXPECTED CONDUCT AND INCIDENT MANAGEMENT

Expected Conduct

In this school, all users:

- are responsible for using the school IT and communication systems in accordance with the relevant Acceptable Use Agreements;
- understand the significance of misuse or access to inappropriate materials and are aware of the consequences;
- understand it is essential to reporting abuse, misuse or access to inappropriate materials and know how to do so;
- understand the importance of adopting good online safety practice when using digital technologies in and out of school;
- know and understand school policies on the use of mobile and hand held devices including cameras;

Staff, Volunteers and Contractors

- know to be vigilant in the supervision of children at all times, as far as is reasonable, and uses common-sense strategies in learning resource areas where older pupils have more flexible access;
- know to take professional, reasonable precautions when working with pupils, previewing websites before use;

Parents/Carers

- should provide consent for pupils to use the Internet, as well as other technologies, as part of the online safety acceptable use agreement form;
- should know and understand what the school's 'rules of appropriate use for the whole school community' are and what sanctions result from misuse.

Incident Management

In this school:

- there is strict monitoring and application of the online safety policy and a differentiated and appropriate range of sanctions;
- all members of the school are encouraged to be vigilant in reporting issues, in the confidence that issues will be dealt with quickly and sensitively, through the school's escalation processes;
- support is actively sought from other agencies as needed (i.e. the local authority, LGfL, UK Safer Internet Centre helpline, CEOP, Prevent Officer, Police, IWF) in dealing with online safety issues;
- monitoring and reporting of online safety incidents takes place and contribute to developments in policy and practice in online safety within the school;
- parents/carers are specifically informed of online safety incidents, where appropriate, involving young people for whom they are responsible, this is recorded in the Online Incident Log;
- the police will be contacted if one of our staff or pupils receives online communication that we consider is particularly disturbing or breaks the law;
- we will immediately refer any suspected illegal material to the appropriate authorities – police, Internet Watch Foundation and inform the LA.

4. MANAGING IT AND COMMUNICATION SYSTEM

INTERNET ACCESS, SECURITY (VIRUS PROTECTION) AND FILTERING

This school:

- informs all users that Internet/email use is monitored;
- has the educational filtered secure broadband connectivity through the LGfL;
- uses the LGfL filtering system which blocks sites that fall into categories (e.g. adult content, race hate, gaming). All changes to the filtering policy logged and only available to staff with the approved 'web filtering management' status (the Network Manager and the Online Safety Leader);
- uses USO user-level filtering where relevant;
- ensures network health through use of Sophos anti-virus software (from LGfL);
- Uses DfE, LA or LGfL approved systems including DfE S2S, LGfL USO FX2, Egress secure file/email to send 'protect-level' (sensitive personal) data over the Internet
- Uses encrypted devices or secure remote access where staff need to access 'protect-level' (sensitive personal) data off-site, including T.T.;
- Works in partnership with the LGfL to ensure any concerns about the system are communicated so that systems remain robust and protect students.

NETWORK MANAGEMENT (USER ACCESS, BACKUP)

This school

- uses individual, audited log-ins for all users - the LGfL USO system;
- uses guest accounts occasionally for external or short term visitors for temporary access to appropriate services;
- ensures the Systems Administrator/network manager is up-to-date with LGfL services and policies/requires the Technical Support Provider to be up-to-date with LGfL services and policies;
- has daily back-up of school data (admin and curriculum);
- uses secure, 'Cloud' storage for data back-up that conforms to DfE guidance, including W.S. & T.T.;
- storage of all data within the school will conform to the EU and UK data protection requirements; Storage of data online, will conform to the EU data protection directive where storage is hosted within the EU, including W.S. & T.T..

To ensure the network is used safely, this school:

- ensures staff read and understood the school's online safety Policy. Following this, they are set-up with Internet, email access and network access. Online access to service is through a unique, audited username and password. The same credentials are used to access the school's network;
- all pupils have their own unique username and password which gives them access to the Internet and other services;
- makes clear that no one should log on as another user and makes clear that pupils should never be allowed to log-on or use teacher and staff logins;
- has set-up the network with a shared work area for pupils and one for staff. Staff and pupils are shown how to save work and access work from these areas;
- requires all users to log off when they have finished working or are leaving the computer unattended;
- ensures all equipment owned by the school and/or connected to the network has up to date virus protection;
- makes clear that staff are responsible for ensuring that any computer or laptop loaned to them by the school, is used primarily to support their professional responsibilities.
- makes clear that staff accessing LA systems do so in accordance with any Corporate policies; e.g. Borough email or Intranet; finance system, Personnel system etc.

- maintains equipment to ensure Health and Safety is followed;
- ensures that access to the school's network resources from remote locations by staff is audited and restricted and access is only through school/LA approved systems:
- does not allow any outside agencies to access our network remotely except where there is a clear professional need and then access is audited restricted and is only through approved systems;
- has a clear disaster recovery system in place that includes a secure, remote off site back up of data;
- uses secure data transfer; this includes DfE secure S2S website for all CTF files sent to other schools;
- ensures that all pupil level data or personal data sent over the Internet is encrypted or only sent within the approved secure system in our LA or through USO secure file exchange (USO FX);
- our wireless network has been secured to industry standard Enterprise security level /appropriate standards suitable for educational use;
- all IT and communications systems installed professionally and regularly reviewed to ensure they meet health and safety standards;

PASSWORD POLICY

- This school makes it clear that staff and pupils must always keep their passwords private, must not share with others; If a password is compromised the school should be notified immediately.
- All staff have their own unique username and private passwords to access school systems. Staff are responsible for keeping their password(s) private.
- We require staff to use strong passwords.
- We require staff (the Network Manager and the Online- Safety Leader) to change their passwords into the MIS, LGfL USO admin site, twice a year.
- We require staff using critical systems to use two factor authentication where necessary.

E-MAIL

This school

- provides staff with an email account for their professional use, London Staffmail and makes clear personal email should be through a separate account;
- uses anonymous or group e-mail addresses, for example class e-mail addresses;
- will contact the Police if one of our staff or pupils receives an e-mail that we consider is particularly disturbing or breaks the law;
- will ensure that email accounts are maintained and up to date;
- uses a number of LGfL-provided technologies to help protect users and systems in the school, including desktop anti-virus product Sophos, plus direct email filtering for viruses.

Pupils:

- use LGfL pupil email system which are intentionally 'anonymised' for pupil protection;
- are taught about the online safety and 'netiquette' of using e-mail both in school and at home.

Staff:

- can only use the LGfL e mail systems on the school system;
- will use LGfL e-mail systems for professional purposes;
- never use email to transfer staff or pupil personal data. 'Protect-level' data should never be transferred by email. If there is no secure file transfer solution available for the situation, then the data / file must be protected with security encryption;
- additionally, access in school to external personal e-mail accounts is blocked.

SCHOOL WEBSITE

- The Headteacher, supported by the Governing body, takes overall responsibility to ensure that the website content is accurate and the quality of presentation is maintained.
- The school web site complies with statutory DFE requirements.
- Most material is the school's own work; where other's work is published or linked to, we credit the sources used and state clearly the author's identity or status.
- Photographs published on the web do not have full names attached. Pupils' names are not used when saving images in the file names or in the tags when publishing to the school website;

Cloud Environments

- Uploading of information on the schools' online learning space (Staff & Pupil Shared) is shared between different staff members according to their responsibilities e.g. all class teachers upload information in their class areas.
- Photographs and videos uploaded to the school's online environment will only be accessible by members of the school community.

SOCIAL NETWORKING

Staff, Volunteers and Contractors

- Staff are instructed to always keep professional and private communication separate.
- Teachers are instructed not to run social network spaces for student use on a personal basis or to open up their own spaces to their students, but to use the schools' preferred system for such communications.

School staff will ensure that in private use:

- no reference should be made in social media to students/pupils, parents/carers or school staff;
- school staff should not be online friends with any pupil/student. Any exceptions must be approved by the Headteacher;
- they do not engage in online discussion on personal matters relating to members of the school community;
- personal opinions should not be attributed to the school /academy or local authority and personal opinions must not compromise the professional role of the staff member, nor bring the school into disrepute;
- security settings on personal social media profiles are regularly checked to minimise risk of loss of personal information.

Pupils:

- are taught about social networking, acceptable behaviours and how to report misuse, intimidation or abuse through our online safety curriculum work;
- are required to sign and follow our [age appropriate] pupil Acceptable Use Agreement.

Parents:

- are reminded about social networking risks and protocols through our parental Acceptable Use Agreement and additional communications materials when required;
- are reminded that they need to ask permission before uploading photographs, videos or any other information about other people.

CCTV

We have CCTV in the school as part of our site surveillance for staff and student safety. The use of CCTV is clearly signposted in the school. We will not reveal any recordings without appropriate permission.

5. DATA SECURITY

MANAGEMENT INFORMATION SYSTEM ACCESS AND DATA TRANSFER

Strategic and operational practices

At this school:

- The Head Teacher is the Senior Information Risk Officer (SIRO).
- Staff are clear who are the key contact(s) for key school information (the Information Asset Owners) are. We have listed the information and information asset owners.
- We ensure staff know who to report any incidents where data protection may have been compromised.
- All staff are DBS checked and records are held in a single central record

Technical Solutions

- Staff have secure area(s) on the network to store sensitive files.
- We require staff to log-out of systems when leaving their computer, but also enforce lock-out after 15 minutes idle time.
- We use the LGfL USO AutoUpdate, for creation of online user accounts for access to broadband services and the LGfL content.
- All servers are in lockable locations and managed by DBS-checked staff.
- Details of all school-owned hardware will be recorded in a hardware inventory.
- Details of all school-owned software will be recorded in a software inventory.

Asset Disposal

- Disposal of any equipment will conform to [The Waste Electrical and Electronic Equipment Regulations 2006](#) and/or [The Waste Electrical and Electronic Equipment \(Amendment\) Regulations 2007](#). [Further information](#) can be found on the Environment Agency website.
- Where any protected or restricted data has been held we get a certificate of secure deletion for any server that once contained personal data.
- We are using secure file deletion software.

6. Equipment and Digital Content

PERSONAL MOBILE DEVICES (Mobile phones, tablets and other mobile devices)

All

- Mobile devices brought into school are entirely at the staff member, students & parents or visitors own risk. The School accepts no responsibility for the loss, theft or damage of any phone or hand held device brought into school.
- Mobile devices brought in to school are the responsibility of the device owner. The school accepts no responsibility for the loss, theft or damage of personally-owned mobile devices.
- The School reserves the right to search the content of any mobile devices on the school premises where there is a reasonable suspicion that it may contain illegal or undesirable material, including pornography, violence or bullying. Staff mobiles devices may be searched at any time as part of routine monitoring.

Staff

- Staff mobile devices will not be used in any way during lessons or formal school time unless as part of an approved and directed curriculum-based activity with consent from Headteacher / SLT. They should be switched off or silent at all times.
- The recording, taking and sharing of images, video and audio on any personal mobile device is to be avoided, except where it has been explicitly agreed by the Headteacher or Online Safety Leader. Such authorised use is to be recorded. All mobile device use is to be open to monitoring scrutiny and the Headteacher is able to withdraw or restrict authorisation for use at any time, if it is deemed necessary.
- Staff members may use their phones during school break times. If a staff member is expecting a personal call they may leave their phone with the school office to answer on their behalf, or seek specific permissions to use their phone at other than their break times.
- Mobile devices are not permitted to be used in certain areas within the school site, e.g. corridors, public spaces.

Pupils

- Parents who wish their child to bring a mobile device into school must sign the Acceptable Use of Mobile Phone Policy Authorisation Form and ensure their child understands and complies with the policy.
- All pupil mobile devices must be turned off (not placed on silent) and be handed in at reception should they be brought into school.
- If a student needs to contact his or her parents or carers, they will be allowed to use a school phone. Parents are advised not to contact their child via their mobile phone during the school day, but to contact the school office.

Visitors

- All visitors are requested to keep their phones on silent.
- Visitors may use their phones during school break times in permitted areas only.

Storage, Synching and Access

Mobile devices (ipads) are accessed with a school owned account

- The devices have a school created account and all apps and file use is in line with this policy. No personal elements may be added to this device.
- PIN access to the device is known by the Network Manager, the Online Safety Leader and the Computing Leader and used for maintaining apps and accounts.
- Personal accounts are not to be used for access to a school owned mobile device, staff must be aware that school use will be synched to their personal cloud, and personal use may become visible in school and in the classroom.
- Exit process – when the device is returned the staff member must log in with personal ID so that the device can be Factory Reset and cleared for reuse.

Students' use of personal devices

- Marvels Lane School strongly advises that student mobile phones and devices should not be brought into school.
- Marvels Lane School accepts that there may be particular circumstances in which a parent wishes their child to have a mobile phone for their own safety (refer to Policy for the Acceptable Use of Mobile Phones in School).
- If a student breaches the school policy, then the device will be confiscated and will be held in a secure place in the school office. Mobile devices will be released to parents or carers in accordance with the school policy.
- Students should protect their phone numbers by only giving them to trusted friends and family members. Students will be instructed in safe and appropriate use of mobile phones and personally-owned devices and will be made aware of boundaries and consequences.

Staff use of personal devices

- Staff are not permitted to use their own mobile phones or devices in a professional capacity, such as for contacting children, young people or their families within or outside of the setting.
- Staff will be issued with a school phone where contact with students, parents or carers is required, for instance for off-site activities.
- Mobile Phones and personally-owned devices will be switched off or switched to 'silent' mode. Bluetooth communication should be 'hidden' or switched off and mobile phones or personally-owned devices will not be used during teaching periods unless permission has been granted by a member of the senior leadership team in emergency circumstances.
- If members of staff have an educational reason to allow children to use mobile phones or a personally-owned device as part of an educational activity, then it will only take place when approved by the senior leadership team.
- Staff should not use personally-owned devices, such as mobile phones or cameras, to take photos or videos of students and will only use work-provided equipment for this purpose. When this is not possible, permission will be sought from the headteacher or the Online Safety Leader and any permitted images or files taken on staff handheld devices in school must be downloaded from the device and deleted in school before the end of the day.
- In an emergency where a staff member doesn't have access to a school-owned device, they should use their own device and hide (by inputting 141) their own mobile number for confidentiality purposes and then report the incident with the Headteacher / Designated Officer.
- If a member of staff breaches the school policy then disciplinary action may be taken.

DIGITAL IMAGES AND VIDEO

In this school:

- We gain parental/carer permission for use of digital photographs or video involving their child as part of the school agreement form when their daughter/son joins the school;
- We do not identify pupils in online photographic materials or include the full names of pupils in the credits of any published school produced video materials/DVDs;
- Staff read and understand the school's Acceptable Use Policy and this includes a clause on the use of mobile phones/personal equipment for taking pictures of pupils;
- If specific pupil photos (not group photos) are used on the school web site, in the prospectus or in other high profile publications the school will obtain individual parental or pupil permission for its long term, high profile use;
- The school blocks/filter access to social networking sites unless there is a specific approved educational purpose;
- Pupils are taught about how images can be manipulated in their online safety education programme and also taught to consider how to publish for a wide range of audiences which might include governors, parents or younger children as part of their computing scheme of work;

MARVELS LANE PRIMARY SCHOOL

Be The Best That You Can Be

- Pupils are advised to be very careful about placing any personal photos on any 'social' online network space. They are taught to understand the need to maintain privacy settings so as not to make public, personal information.
- Pupils are taught that they should not post images or videos of others without their permission. We teach them about the risks associated with providing information with images (including the name of the file), that reveals the identity of others and their location. We teach them about the need to keep their data secure and what to do if they are subject to bullying or abuse.
