

Book Week

Book week will commence on Monday 25th March.

We have lots of fun things planned to celebrate books and to promote the love of reading.

Book Week Competition

This year we have a challenge for ALL pupils that wish to participate. From nursery to Year 6 everyone can have a go!

We are challenging you to make your very own book!

It can be a picture book, story book or an information book. It could be about something you have experienced yourself or something from your imagination. You could research your favourite thing and make an information book about it. The range is endless you can't get it wrong! Have fun and be creative!

A few things to remember

- Make sure you illustrate your book and include a front and back cover.
- Make it appealing for others to read.
- Consider how you are going to fix it together, securing the pages.
- Put your name and year group on your book. Be proud you are the Author!

Finally

Don't forget to return your book to Mrs Freeman by Tuesday 26th March. There will be an assembly on Thursday 28th March to celebrate all of the books that have been entered and to announce a winner from each year group!

Good Luck!
