

Apple and Koa Classes Home Learning Year 2

Monday 27th April 2020

Dear Year 2 families,

I have liked so much reading all your mails and seeing the photos of your activities, a big well done to you all in Apple and Koa! This is the week 2 set of activities for Monday 27th April.

Ms Khan and I would like to remind you of the new emails you can use to reply. Please do, we need to know you are ok and we love hearing from you anyway.

koa@marvelslane.lewisham.sch.uk

apple@marvelslane.lewisham.sch.uk

Here are the next 3 activities this week.

1. In Music, we will be **creating our own rainforest tune**. Use your knowledge about the animals living in the different layers of the rainforest and compose some animal sound effects for the piece of music. You can use wooden sticks, kitchen pots, a rainstick made out of a pringles box with rice inside or any real instrument you have in your house. Involve your family members to play your piece of music as if you were a mini orchestra.

Extension : You could record it in a video and send it to me.

2. In English, we will focus in some Grammar this week. Remember the Grammar explains how the English language is made, all the pieces connected together like a puzzle. Our piece of Grammar will be **compound words**.

We would like you to create a list of compound words.

e.g. whiteboard (white+board)

Extension: You could write different types of sentences with the compound words,

A question, an exclamation, a command and a statement.

3. In Maths, Can you tell the time now? Now that you can do this, we have to:

Find durations of time and compare durations of time.

Make a table showing how long it takes you to do different activities during the day. Do it as long as you can!

Activity	How long does it last for?
Wash my hands	20 seconds
Do exercise in the morning	30 minutes
Eat my lunch	20 minutes
Read with an adult	15 minutes

Extension: Put in order all the activities you do during the day, from the one that takes the longest to the one that lasts the shortest amount of time.

Simplification: Draw yourself doing an activity and write the time under your picture.

Have Fun!

Love From Ms Aldecoa and Mrs Khan
