

Hello Silkwood and Ash Classes,

I hope that you are all well and managing to enjoy the sunshine.

Task 1

English/Geography

I would like you to find out about a beach in a hot country and another in a cold climate. Write a fact file about each.

Country

Which continent?

Distance from equator?

Natural features around the beach (sea, sand, shells)

Man made features (boats, houses, shops)

Sealife, name and write some facts about them

Clothes worn on the beach

Remember to double check spellings, capitals letters for names and at the beginning of a sentence.

A full stop at the end of each sentence. Use a capital 'I' when you are talking about yourself.

Use paragraphs and use commas when writing a list.

If you need to practice these go to Purple Mash and play the punctuation games to remind you, like we played in class. You can play with your adult or siblings.

Task 2

Art/Science

Choose one (you can do both) beach and draw/paint/collage from an image you have found on line.

Draw and label the sea life that interests you.

Task 3

Maths

Practise the 24 hour clock

Test yourself. Ask your adult to test you.

Convert 12 hour clock into the 24 hour clock using quarter past half past and quarter to.

Write some challenges for yourself and ask your adult to write some too.

e.g. what is the time that we come back from lunch in the 24hr clock?

If it's 11am what will the time be in 3 hours?

If it's 09.00hrs what will the time be in 4 hours 15 minutes?

Send me the answers by Friday.

The Maths Shed and Purple Mash can help you to practise too.

Have fun with your learning guys!

I am really missing you all very much!!!!!!!!!!

BIG HUGS,

Miss Sadrettin & Ms Anderson
