Write a non-chronological report about how they used to go to the beach, what they used to wear and what they did? Then compare the differences of where you go to the beach, what you do at the beach and what you wear at the beach.

- Remember to give your report a title
- Introduction
- Subheadings
- Drawings with labels (past and present)
- Pictures with descriptions (past and present)
- Compare to present day
- Conclusion

Remember to use capital letters in the correct places. Use paragraphs when writing introduction, subheading and conclusion.

Use full stops and comma's properly.

Use past tense when you are writing about the Victorian times.

Use present tense when you are talking about your seaside experiences.

D.T.

Design, label and choose materials to make a Victorian changing room for the beach.

What was it called? Why did they get changed in there?

Solve money problems and give change with real money. Your grown ups can help with this.

Have pennies, 5p's, 10p's, 20p's, 50p's, £1.00 coins and £2.00 coins

£ is the pound sign p is pence

If a lolly costs 48p and you have £1.00, how much change will you have left?

If you buy 2 lollies that cost 48p each, how much change will you have left?

£. p

1.00 - Write your money problems like this. Use real money to help you if you are
0.48 struggling.

----- Work with your grown up.

£. pence Remember the rules for column addition and subtraction.....

1.72 + Always put the higher amount on top for subtraction

2.34 Carry over when adding and borrow

_____ Put £ and p in the correct columns.
