

Offline Home Learning

Monday 4th May

If you don't have access to the links in the email for today's home learning please use the following:

Eng: If you can't watch the clip draw a house and imagine your home could move/walk. Would it be happy where it is? Or would it like to move somewhere else? If so, where would it go? What would it see on the way? *Get creative, use your imagination!*

Don't forget to use different sentence starters, not just 'I think...' below are some you could use:

-Maybe...

-It might be...

-It could...

-The house...

Science:

Find out why flowers are an important part of a plant. Write a short explanation and if possible take pictures or draw three different flowers in your garden or in your home.
