

Birch and Tulip Home Learning Challenges for the 11th May

In English, can you write a short poem using alliteration? Remember this is when words sound the same at the beginning. Like this:

Tom the terrifying tiger,

Tiptoed through the tall trees.

Try to write a poem about the Summer, plants or an animal.

Challenge - Can you write more than 1 verse like me? Use powerful verbs and amazing adjectives.

He spied a slithering snake,

Slowly sliding on the scratchy, salty sand.

Maths Challenge. Let's have a competition! Mrs Vitty and I want to see how many of you can find an answer to this question and email us back this week.

This is Tommy. His piggy bank is full of

pence pieces.

Using 1 coin at a time, how can he make 30p?

In Art, look at the paintings of Guiseppe Arcimboldo, an Italian painter who lived 500 years ago! He painted portraits built from fruits, vegetables and flowers.

How many different vegetables, fruits and flowers can you spot?

Can you build a face from fruits and vegetables? You could do a collage by cutting out pictures or draw your own.

We look forward to seeing all your learning and don't forget to send your answers to the maths challenge this week.

Have fun! Love Miss Trayer and Mrs Vitty
