

## Birch and Tulip Class Home Learning Challenges for 21<sup>st</sup> May

Hello Year 1,

How did you get on with learning your days of the week and months of the year? We are now going to use the days of the week in English. As next week is half term, we will not be sending home learning. So ...

**In English** - Can you write a diary for the next few days? E.g. On Thursday I took my dog for a walk. On Friday I helped mum cook pasta. Remember, days of the week start with a capital letter.

**Challenge:** Use a connective, (and, because, so), to join 2 sentences e.g. On Thursday I took my dog for a walk and it started to rain. On Friday I helped mum cook pasta because it's my favourite meal.

**In Maths** - You are going to see what you can do in 1 minute. You will need someone to help you, who has a watch, or a timer on their phone.

- First, can you sit still without speaking for 1 minute?
- How many star jumps can you do in 1 minute?
- How many times can you catch a ball?
- How many times can you write your name?
- How many press ups can you do?

**Challenge :** Think of some things for someone else in your family to do and time 1 minute. How many did they do? Can you do more?

**In Science** - Remember the names of the 4 seasons. Ask your grown up to cut out 4 person shapes. Now dress each one for a different season. Think what the weather would be like. What clothes would they wear? You can draw and colour the clothes straight on to the person or you can cut them out of paper or fabric and stick them on.

Have a great week next week. You can still email us and tell us what you are doing.

Keep up the good work and stay safe and well.

Love from,

Mrs Vitty and Ms Trayer x
