

Magnolia and Willow Classes Home

Learning YR5

Thursday 21st May

Hello everybody-I hope you are keeping well and enjoying the sunshine. We continue to look forward to hearing from you. Today, I have set another three tasks and another riddle! As today is National Outdoors Day- our home learning is set around this theme.

Riddle: What belongs to you, but other people use it more than you?

Now here are your 3 activities:

1. When you take some exercise or go for a walk- draw/sketch or take some photos of some interesting features- eg. A close-up of a flower- a chimney- a pattern you find ...create a journey piece of art.

Extension: To create a map of your journey and put your sketches or photos where you found them.

- 2 English: To write about your favourite place to visit outside- before lockdown. Where do you enjoy being outside? The park? Seaside? In the woods? How often have you been? Who goes with you? How do you get there?

Extension: To include a list of your best top 10 best-ever places to visit?

- 3 Maths: To create a symmetrical picture using twigs, leaves, petals, pebbles etc

To save any printing, just write the answers in a book or on paper.

Extension: To view the outdoor bingo card- how many things can you tick off?

I will **NOT** be sending out any home learning next week as it is half-term. Take care, love from Ms Malyon, Mrs Williams, Ms Baker and Ms Brett.
