

Thursday Tasks for Year 3

4/6/2020

Hi Year 3,

We hope that you are all well and keeping safe.

This week's tasks are a little different.....and exciting too!

For English, Geography and Art we would like you to find the story called 'How Anansi Won his Stories on YouTube, there are many versions. I am trying to send you a power point.....but it is too large!

After you have read the story and talked about it, we would like you to find out about Africa and the Caribbean beaches. Draw a map of Africa and the Caribbean if you can? Label the islands and the seas surrounding it. Label the countries in Africa too and the seas surrounding it.

Can you write another adventure story based in Africa or in the Caribbean using some of the locations?

Remember to have an introduction, set the scene, choose your settings, characters, what will the problem and solution be?

Use capital letters, full stops, commas, speech marks, exclamation marks, question marks and paragraphs.

For Maths please find Youtube videos based on time. Using the 24 hour clock and Roman Numerals.

Make clocks using Roman Numerals if you cannot access the internet.

There is a power point with money and it is for revision (quite easy!).....so can you make challenges for yourselves?

Finally there is an extension sheet with comprehension tasks for Destination Reader.

Please continue to practise your Passport Targets and spellings.

Remember to read every day.

I hope that you enjoy your special tasks this week!

Keep safe, stay alert and be kind to each other.

Best wishes, lots of hugs and love xxxxxxxx

Miss Sadrettin and Miss Anderson
