

Year 3 home learning

Monday 15th June

Hi guys,

Here are Monday's tasks we have set for you:

English/Art

Now that you know all about persuasive writing and its features (*facts/evidence, emotional language, strong argument and rhetorical questions*); write a persuasive poster encouraging local residents to visit a UK beach of your choice, instead of going on holiday abroad.

Draw enticing pictures on your poster, along with an emotive, eye-catching headline. Don't forget to include *why* they should visit this particular beach. If you need some inspiration Google '*persuasive posters examples ks2*'

Maths/Eng

Using your bar chart from last week write down some questions that could be answered by someone using your chart. Then ask your mum, dad or sibling to complete the questions.

From the bar chart (in the link below) I could write the following questions:

How many people like comedy films?

Which film type is most popular?

Which is the least popular film type?

How many more people like Sci-Fi films than drama? Etc

<https://www.mathsisfun.com/data/bar-graphs.html>

Take care,

Keep on practising your passports and spellings!

Miss Sadrettin and Miss Anderson
