

Year 3 Home Learning

Monday 6th July

Hi guys,

Here are Monday's tasks we have set for you:

English

Have a look at the attached link. Think about what is happening in the picture, maybe discuss it with one of your parents. Then answer the questions using full sentences and subordinating conjunctions like, because and as.

https://www.onceuponapicture.co.uk/portfolio_page/lets-play-football/

Maths

Listen to Lesson 2 'Compare Mass' on the link below (Summer Term w/c 6th July)

The use the items from last Monday's task (or find new ones) and compare their weight using $<$ $>$ $=$ (remember the crocodile likes to eat the largest amount)

<https://whiterosemaths.com/homelearning/year-3/>

Science

Use a tape measure to find out if these statements are 'body facts or body fiction' (PDF is attached). There are two activities, one to do inside and one outside.

Take care and keep up the hard work at home!
