

Write a **formal letter** to your future teacher in Secondary School.  
Tell him/her about yourself:

- Name, Age, Primary School attended
- Why you are looking forward to going to her/his school?
- What made you choose this school?
- What are your favourite subjects?
- What are your strengths and why?
- What are your weaknesses and why?
- What are your achievements in Y6?
- What are you proud of in terms of your time at Marvels Lane?
- What are you worried about starting your new school?
- What do you hope to achieve in Y7?
- End your letter by signing your name.
- You can draw a picture of yourself!

You can write this letter in the following ways:

1. Use the above Success Criteria and compose your own letter.

Or

2. Use one of the writing frames to help you to write your letter. There are 3 templates - I would recommend using the last one as the first two might be too easy!

Please find the letter templates in another attachment with this homework.  
I look forward to reading your letters.
