

# Magnolia and Willow Classes Home

## Learning YR5

Monday 11th May

Hello everybody- I hope you are still all keeping well. We still look forward to hearing from you. Today, I have set another three tasks and another question! There is a competition between the classes as to how many children answer their class question- the class winners will be revealed on our website next week! So let's see everyone answer this question?

Question: Name the river that flows through London?

Now here are your 3 activities:

1. To continue our London theme, can you name the top ten sights of London- see sheet attached.

Extension: To create a crossword on London- can someone in your family solve the clues.

Begin to save boxes and kitchen rolls to build a model of your chosen London landmark.

- 2 English: To complete the reading comprehension on Captain Tom Moore- see sheet attached.

Extension: If we were able to raise any money for the NHS, what would your chosen activity be?

- 3 Maths: To complete the attached maths sheets. To save printing these out, just write the answers in a book or on paper.

Extension: Can you use the compass points to create a journey for someone in your family to follow?

I will send out three more activities on Thursday. Remember to keep sending in your replies and photos - we will look forward to hearing from you, love from Ms Malyon, Mrs Williams, Ms Baker and Ms Brett.
