Jim is going to sail away with the Squire in search of the treasure.

Task 1

Give Jim 3 good reasons why he should go in search of the treasure and 3 good reasons why he shouldn't.

Its trickier than you think because you can't repeat yourself. They have to be very different reasons.

'Good luck me hearties' - said in pirate voice!!!

If you can't watch the clip then think about why a young boy should go off to seek treasure with a map taken from ruthless pirates and have a go anyway.

Task 2

Design a cabin area for Jim on the ship, it will be very small and so need clever storage and most importantly a place to hide the treasure map from prying eyes.
