

Hello, Year 3.

Task 1

Maths

GEOMETRY- PROPERTIES OF SHAPES

Recognise angles as a property of shape or a description of a turn; identify right angles, recognise that two right angles make a half-turn, three make three quarters of a turn and four a complete turn; identify whether angles are greater than or less than a right angle; identify horizontal and vertical lines and pairs of perpendicular and parallel lines.

Draw and name at least 10 different 2D shapes. Name their properties and label.

Recognise and name at least 5 3D shapes.

Task 2

History

VE Day

Look for the countries that were allies with England and draw their flags.

Place the flags on a world map. You can draw your own map.

Next find the flags of the enemy and do the same.

Task 2

English

Write about VE Day.

Talk about the countries involved.

Talk about what happened during World War 2

Why did the war start?

How did it end?

How did England celebrate?

Use your punctuation, grammar and spelling rules. Always check your work.

There will be work packs available in school.

Please continue to read every day, practice your passport targets and spellings.

Keep safe
