

Year 3 Home Learning

Monday 1st June

Hi guys,

Hope you all had a good half term!

Here are Monday's three tasks we have set for you:

English

Write a diary entry for one of your days during half term.

Include:

- Where you went (if you did go out)
- What you did
- Who you were with

Don't forget to begin with 'Dear Diary' writing in the past tense, first person and using a chronological order.

Maths

Go to Chinbrook Meadows and observe/record (for 10 minutes) the different types of wildlife you see. Then create a tally chart of all the wildlife you saw. If you can't go to Chinbrook then use your garden or balcony to spot from.

Extra activity: Play 6x table bingo with your mum, dad or brother/sister, but watch this first! <https://www.youtube.com/watch?v=f2JdnZbB2dg>

Science

Over the next few days have a look at the food you eat (before you eat it!); does it have seeds? If so, take some out, leave it to dry, then see if you can make them grow by planting them in either soil or some cotton wool (don't forget to add a little water).

Extension: Keep a diary (photo or hand drawn to document its progress); we will go through the life cycle of a plant next Monday.

Take care and keep safe.

Tons of Hugs,

Miss Sadrettin and Ms Anderson
