

Magnolia and Willow Classes Home

Learning YR5

Monday 1st June

Hello everybody - I hope you had a good break and are still enjoying the sunshine. We continue to look forward to hearing from you. Today, I have set another three tasks and another riddle!

Riddle: How many months have 28 days?

Now here are your 3 activities:

Rivers: Watch the PowerPoint on the features of a river. Then see if you can label the river features on the sheet. You can use a dictionary to look up the words. The PowerPoint and sheets (with answers) are attached.

Extension: Can you research a famous river- what features does it have? Where is the source? Where is the mouth?

- 2 English: Use the sheet attached or create your own- write a TV show review. What made you choose this TV show?

Extension: Can you draw a scene or a character from the show.

- 3 Maths: Complete the reflected shapes - using a ruler - you could also use a mirror. To save any printing, just write the answers in a book or on paper.

Extension: Are you able to create one of your own for someone at home to do?

I will be sending out the next home leaning on Thursday.

Take care, love from Ms Malyon, Mrs Williams, Ms Baker and Ms Brett.
