Learn to say the days of the week and/or the months of the year in order.		Practise counting backwards from different numbers. What is the highest number you can count backwards from?		Draw the flag of a country you have visited or know about. Design your own special family flag.	
Read some poems and learn a poem by heart to recite to the class.		Look for signs of Spring. Write sentences or draw a picture.		Find out about a famous person (from History, Sport Music, etc) and make a poster.	
Choose a whole weekend. Make a list of verbs to show all of the things you did, e.g. woke up, brushed your teeth, ate breakfast, sneezed.		Look for some examples of arrays in everyday life. Use some objects to make your own. Take pictures or draw them. *See extra notes on arrays.		Make a junk model of a lighthouse.
