

Year 5 Home Learning Challenges: Spring 2

English	Parent to sign here	Science/Maths	Parent to sign here	Topic/Other	Parent to sign here
Write a poem about the life cycle of an animal of your choice.		Describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird.		Create a poster for your chocolate bar.	
Design a WANTED poster for a character in a book and include a list of their crimes.		Create a helpful game or song to help learn the 12 times tables.		Create a detailed map of your home and the surrounding area.	
Pick your favourite poem and create a poster for it		Go on a nature walk and make observations of different plants and insects. Can you take photographs?		Cook something (with an adult) at home and write a recipe and a set of instructions for what you made. Take photos if you can!	
Find a poetry book you enjoy, bring it to class to share with us.		Write a set of instructions on how to care for ducklings.		Design your own allotment plot. What would you want to grow and why?	
Create questions about the chapter in the book you have just read. Remember to include which book and what chapter in your homework.		Write a diary entry about your chocolate workshop.		Compare the film and the book for Charlie and the Chocolate factory. What are the differences and similarities. Which did you prefer and why?	
Design an advertisement for a visit to a chocolate factory.		Draw a labelled diagram of the life cycle of an animal of your choice.		Create a new Mayan game. Write the rules and draw a diagram.
