During this unit, children will be learning about what the world learnt from the Ancient Greeks; how the Olympic Games started, the different types of government and how we base our English government on democracy like the Athenians did. We will also be learning about how to write myths in our English lessons and we will use our Geography skills to locate Greece on a map. Finally, children will have a general knowledge of the three capitals used in Greek architecture and the Battle of Marathon as well as the Trojan wars.
