P.E.

Hit, Catch, Run unit 2

Send and Receive unit 2

Run, Jump, Throw unit 2

This topic will introduce the children to the natural world of rainforests. We will be looking at the Amazon rainforest and finding out about the different layers of a rainforest of plant and animal life. We will learn about the indigenous 'Yanomami' tribe and their primitive life. The children will reflect on the issues concerning rainforests such as deforestation.

WOW:

All visits are currently cancelled due to Covid19.

RAINFORESTS

ART

Textiles, Printing, Painting
Moving Pictures

D.T.

Design, make and evaluate products with moving parts
