

Year 4 Home Learning CHALLENGES: Summer 2

English	Parent to sign here	Science/Maths	Parent to sign here	Topic/Other	Parent to sign here
Create an advert for a product of your choice.		Create a map to find buried treasure using coordinates.		Create a game using only recyclable items from your house.	
Write a speech about how to be an eco-warrior and save the world.		Create a game to identify the different types of quadrilaterals.		Create a rap about the damages single use plastics can have on the environment.	
Write a letter persuading the prime minister to be more eco-friendly.		Create a song using different pitches and present it to the class.		Create a map of your house. Write the directions from your living room to the kitchen.	
Create and label a character from another culture.		Find objects in your house with parallel sides.		Create a weather log for two weeks Monday-Sunday. Do you notice any changes? What is the weather meant to be like in Summer?	
Write a poem about Africa.		What item in your house creates the highest pitch noise?		Take time out of your day to meditate. Write down all the things you thought about during meditation.	
Write a poem using rhyme and underline what other poetic features you have used.		Using your cutlery find out which one makes the highest and lowest pitch. Look at the different vibration's they make.		Take a look at the leaves on the trees. Do they look the same as they did in winter? Are there any changes you can see?
