

Year 4 Term 2

ENGLISH

Poetry: Kennings

Fiction: Stories with Issues and Dilemmas.

Non-Fiction: Non-Chronological Reports.

Persuasive Arguments

Reading: Destination Reader

Core Texts: What a Waste, African Tales, One Plastic Bag

GPS: Noun phrases, fronted adverbials, paragraphs, cohesion, punctuation, spelling

SCIENCE

Switched on: Identifying common appliances that run on electricity, constructing a simple series electrical circuit.

Good vibrations: How is sound created? E.g. Finding patterns between the pitch of a sound and the object.

Our Changing World: Observing, Classifying and Identifying a range of different flowers.

COMPUTING

Purple Mash

Unit 4.7 Effective Searching

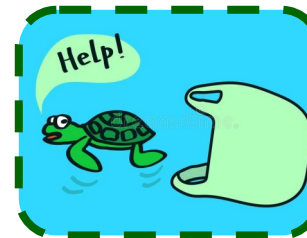

Unit 4.8 Hardware Investigations

Unit 4.9 Making Music

This term, year 4 will be looking at the environment, studying how land is used and how that use has changed over time. We will be exploring environmental issues related to the sea and litter waste and present some of their ideas in persuasive writing. As part of this topic, we will also be learning about the weather and collecting information which they will represent in different graphs they have learnt in maths. A school 'green project' will give them the chance to be proactive environmentalists in and around the school. Finally, they will be using a range of junk to make different products and musical instruments which they will use in a live performance!

WOW

Eco-Warriors

ART

Sculpture Art - Experiment with and combine materials and processes to design and make a 3D form sculpture. Use did textiles and materials to create an environmental scene linked to litter and the oceans.

D.T.

Products made from domestic waste, cooking and nutritional hygiene

MUSIC

Musical Junk, making junk instruments and performing in a junk orchestra

MATHEMATICS

Number: Decimals

Measurement: Money and Time

Statistics

Geometry: Properties of shape, Position and Direction

HISTORY & GEOGRAPHY

Land usage and economic activity
Measuring and collection geographical information

Exploring sea life preservation and the environmental issues related to litter and other human wastage

R.E.

Buddhism: Living as a Buddhist in the wider world.

PSHE

Living in the Wider World - How can our choices make a difference to others and the environment?

Health and Wellbeing - How can we manage risk in different places?

SPANISH

Carnival of the animals

What's the weather like?

P.E.

Indoor: Dance, Gymnastics

Outdoor: Athletics, Cricket
