8th September 2025

After School Activity Clubs for the Autumn Term 2025

Dear Parents and Carers,

When do the clubs run?

After school activity clubs will start the fourth week back (week beginning Monday 22nd September 2025) and run for 10 weeks throughout the term, finishing on the week beginning 1st December.

When and How do I sign up?

You can only sign up for a club online via your child's [Parentpay](#) account. Sign into your account and look under 'Pay for Other Items'. If a club is available for your child, you will see it here.

What clubs are available?

The club timetable is also attached to this email (this can be subject to change due to situations out of our control or school events). We are able to offer school-led clubs at a very reduced rate, but where a club is run by an outside provider the charge to parents will reflect this.

Please talk to your child and only sign your them up to a club if they really want to attend as we are unable to provide refunds or offer alternative club spaces once you have paid.

What happens once my child has been given a place?

We will text you to confirm your place on Friday 19th September. On the day of the club children in Years 3-6 will wait in the Upper Hall to be collected for their club. Children in Year 2 and below will be picked up from their classroom at the end of the school day. Collection arrangements for parents (at the end of the club) will be sent to you with your text confirmation. Children repeatedly collected late from the club may lose their place for the rest of the term.

Clubs listed on the timetable will be available on Parentpay from 4:00pm today up until midday 16th September so please apply during this time.

There are only a limited number of spaces for each club. If you are able to pay, then your child has been given a place. If you cannot see the club or are unable to pay for it this means it is already full and no longer available.

If you have any other questions, please contact the school office team.

Kind regards

The Admin Team
