9th September 2025

Dear Year 6 Parents / Carers,

Re: Secondary School Transfer 2026

It is now less than a year before your children will be leaving Marvels Lane and transferring to Secondary School.

Have you thought about it? Do you know how the process works? Have you decided on all the schools that you are going to apply for? Whether you have or not, we can help you with the process.

We are offering two meetings on **Monday 15th September at 3.30pm and 6.00pm in the Year 6 Block**. At this meeting we will explain the transfer process and attempt to answer any questions you may have.

In the meantime, for those schools that you are thinking about as possibilities, I recommend that you look on their website, as many secondary schools are holding their open days throughout September. Taking time to visit the school is often the best way of helping you make a final decision.

The deadline for online applications is 31st October 2025. I look forward to seeing as many of you as possible on 15th September.

Very best,

Edward Dove
Headteacher
