

Year 3 Home Learning Challenges: Autumn 1

English	Parent to sign here	Science/Maths	Parent to sign here	Topic/Other	Parent to sign here
Go on a noun hunt around your house make a list of all the nouns that you can find and sort them into groups. – Common nouns, proper nouns and precise nouns.		Find some examples of objects in your home that are made from rock. Write down the properties of these and draw a small picture of each one.		Design your own cave painting based on your favourite animal. Remember that they only used one or two colours and their pictures were very simple.	
Make a list of some of the verbs (actions) you and your family do at home. Add adverbs to each verb to show how they did each action (e.g. <i>slowly, quietly</i>).		Play the Rocks and Soils game on the BBC Bitesize website. Write down any interesting facts you have learnt in your Home Learning book.		Learn a numbers or greetings song in Spanish. Get ready to perform it in class!	
Make up your own Stone Age alphabet using symbols you have created.		Go to the woods/park. Record how many different animals you can see and create a chart to show your findings. What changes occur during autumn.		Research Stone Age food on the internet or in a book. Create a three course menu for a Stone Age restaurant.	
Design a new front cover for the book you are reading. <i>Can you make it more exciting than the original cover?</i> <i>Does it match the story you are reading?</i>		Write a list of all the places you can see numbers at home. For example, on food packaging or page numbers in a book. Write down ten different numbers and then find 1, 10 and 100 more and less. Create place value challenge cards for your friends in class. (small cards with questions – e.g. how many tens in 123)		Search for ' Cosmic Kids Yoga ' on YouTube and watch a video and join in. <i>OR</i> Take part in a guided dance on GoNoodle . Get someone in your family to join in with the dance.
