

Year 5 Home Learning Challenges: Autumn 1

English	Parent to sign here	Science/Maths	Parent to sign here	Topic/Other	Parent to sign here
Create a poster for a Greek myth		Design a boat experiment to see which material will float the best? E.g. you could use foil/grease proof paper/ Plasticine /newspaper What must you keep the same to make it a fair test?		Make a model from Ancient Greece e.g. Pathenon	
What would life be like for an Ancient Greek child? Describe an average day for a child.		Conduct a fair test at home: which liquid evaporates quicker? Milk, Water, Lemonade, Oil – remember to keep everything the same except for the liquid. Make a prediction first. Challenge: What other tests could you do?		Create a poster or PowerPoint about the Ancient Greek Gods.	
Write a short story based in Ancient Greece. Think of your main character. Think of a challenge to overcome.				Write your own set of Olympic Games	
Write a poem about Autumn.		Learn your times tables- up to 12 x 12 Ask someone in your family to test you.		Create a Greek scene – either by drawing, painting, collage or 3D include the Pathenon, Greek pots, people dressed as Ancient Greeks	
Make a cartoon strip about your favourite book, retelling the story.		Explore different materials to see how long you could keep an ice cube cold. Make it a fair test.		Write your own poem about the Ancient Greeks	
Create a newspaper article (including photos) about an exciting event that happened to you, or someone you know.		Use different types of paper- make a 'bridge' by placing the paper across two backs of a chair. Then using weights- test out the paper 'bridges' to see which is the strongest.		Design and make an Ancient Greek costume.
