

Practise writing your name. Try writing someone else's name too, like mum or dad.

Draw a picture that shows all of the people who are special to you.

Talk to an adult about a toy or object that is special to you. Can you bring it in and share it with the class?

Make hand prints of people you live with. You could paint and print or draw around people's hands. Can you put them in order of size, from smallest to largest?

Where is your favourite place? Where would you like to go? Talk about this with an adult and draw a picture of it

Count your fingers and toes. Can you count to 10 or 20?

Home Learning

Go to the library with your adult and find a book you would love to share with the class. Can you talk about why you like it?

Play a matching game for example matching pairs or snap. Or can you help to pair some socks.

How do you know they match?

Compare the size of people around you. Who is tallest? Who is shortest? Can you draw a picture of people in order from smallest to biggest?
